

STEVE CANFIELD

OBJECTIVE

Head Volleyball Coach

PROFESSIONAL EXPERIENCE

First Assistant Coach Florida A&M University

2016 - Present

Role entails assisting head coach with day-to-day volleyball operations including practice plans, team organizational functions, monitoring academic performance of athletes, collecting and analyzing match statistics, and scouting / film break down to assist with match preparation and competition. I implement volleyball recruitment plans, order apparel, organize official and unofficial visits, and arrange team travel requirements for off-campus trips (airline reservations, hotels, vehicle rentals, and team meals). I promote a positive team culture to ensure success on and off the court, and maintain high priority on student success and 100% graduation rate, 1000 APR for the past 4 seasons.

FAMU finished first in the MEAC Southern Division three years and Runner-Up at the MEAC Conference Championships in 2016 and 2017. In 2018, FAMU earned a bid to the National Invitational Volleyball Championships (NIVC). 2020 season was cancelled due to COVID. 2021 was a break out season for our staff, we finished 25W-7L (4th best record in school history), we won the SWAC Championship over Jackson State and made the NCAA Tournament for the first time in 13 years! We won the Auburn Invitational with 3 victories to include a 3W-2L upset over host Auburn we also defeated Big South Champions Campbell University. 2021 FAMU had three SWAC "Player of the Year Selections" Overall MVP, Setter, and Libero.

Junior Olympic Volleyball Coach / PSVA Satellite Director

2002 - Present

USA CAP Level 1 coaching certification, competed at venues across the south east, organized and directed several volleyball tournaments (including accommodations for visiting teams), scheduled court assignments, and organized hospitality room set up. I have lead teams to three National Championship Events, and am currently an Elite level coach at Prostyle VB Academy and Satellite Director, I organize and direct 40 to 50 teams/coaches in 20 to 30 towns across the Florida Panhandle.

A complete copy of my coaching experience is attached and broken down sport specific. I have coached 38 seasons - which includes 22 seasons of basketball (boys and girls at all age levels) and 20 seasons of College, High School & Junior Olympic Volleyball. I guided the Mosley basketball team to five Florida Regional basketball appearances and 2 district titles, and lead the volleyball team to four Florida Regional "Sweet 16" appearances and a district title.

Founder and Director of "Club Fusion Volleyball"

2008 - 2013

The club averages 50-70 players, 6-8 teams and 10-12 coaches per year. Club Fusion was the premiere volleyball club in Bay County with six successful seasons and an impressive amount of high rated tournament finishes. Responsibilities Include: Organizing a seasonal two day volleyball event in multiple locations for 60 plus teams. Training and supervising coaching staff, evaluating volleyball skills and creating teams, creating team schedules, payroll, hotel accommodations, acquiring event sponsorship, organizing officials, marketing players to colleges, creating a vision for program volleyball training, updated Advanced Event System (AES), organizing monthly training schedule, marketing and advertising volleyball to the Florida Panhandle.

Girls Varsity Basketball & Volleyball Head Coach at A.C. Mosley High School

2002 - 2013

I was named the "Freedom All-Star Classic" Coach in 2005, 2007, & 2012; the Bay County "Coach of the Year" 15 times for girls' basketball/volleyball/weightlifting; and the Florida Athletic Coaches Association Girls' Basketball North All Star Coach in 2006 & 2007 (All State). Through my experience I have formed great working relationships with high school and college coaching staffs in the southeast.

- Responsible for all basketball & volleyball operations which included: organizing officials' schedules, game security, transportation budgeting, scheduling the upcoming season games, and preparing purchase orders. Also designed the "Bigger, Faster, Stronger" off-season conditioning program and created weightlifting schedules for Mosley girls basketball & volleyball teams; 29 of my volleyball players received college volleyball scholarships.
- Organized a girls' basketball and girls' volleyball camp every summer from 2006 to 2013; which raised close to \$40,000 over the seven summers.

- Lead the basketball & volleyball booster club operations - including fundraising ideas, advertising campaigns, gate revenues, and snack bar operations; the clubs generated \$12,000 per season on average.

Day Manager of Renegade Sports Center

2005 - 2009

Opened the facility and ran all of the day-to-day facility operations which included - inventory and receiving stock, running café operations, improving marketing, as well as managing the fitness center, gym and day care facilities. I organized countless youth leagues, adult leagues, youth summer camps, and was involved with facility marketing projects such as signs, flyers, social media, and plasma TV display monitors.

Retired Air Force Veteran (Honorably Discharged)

1985 - 2005

I was responsible for all weapons systems maintenance and loading operations. Supervised 30 weapons personnel, established work priorities, requisitioned supply components, prepared airman performance reports and managed day-to-day flight line operations. Insured each member had the required training necessary to complete assigned tasks with zero discrepancies vital to mission success. In my career I excelled by winning 26 "Load Crew of the Month" and 4 "Load Crew of the Quarter" competitions. Selected as the 325 AMXS, 1st AMU "Load Supervisor of the Year" two times and Maintenance "Non Commission Officer of the Year" three times. Attained and held a Top Secret/Secret level Security Clearance for entire Air Force career.

Manager of the Tyndall AFB Skeet & Trap Range

1997-1999

Finished with an impressive profit for all 3 fiscal years, skeet range was operating in the red 4 prior years.

- Organized six intramural squadron shooting leagues and designed a new skeet, trap, and sporting clay handicap system to equalize unskilled shooters; the leagues generated a large income.
- Certified Range Safety Officer; the range had a 100 percent weapons safety incident free record.
- Trained and supervised 6 employees, assigned work schedules, and conducted all range training.
- Organized monthly National Skeet and Trap Shoots to qualify national registered shooters.
- Maintained all skeet and trap machines, designed a gun cleaning and repair schedule system.
- Performed monthly inventories, reviewed monthly spread sheets for input errors, prepared weekly time cards, completed employee performance reports, received monthly inventory, compiled daily receipts for bank deposits, and developed a monthly budget and income report.

Excellent computer skills: Proficient with ARMS, Volley Metrics, University Athlete, Excel, Power Point, Word, MS Outlook and multiple social media platforms.
